ORDER:

Heard the counsel.

2. In W.P.M.P.No.7000 of 1997 in W.P.No.5866 of 1997 this Court on 26.3.1997 made the following order.

> " The petitioners are contending that no draft notification under Section 4(1) of the Land Acquisition Act, or draft declaration under Section 6 of the Act were published nor they were published in newspapers, still the respondents are trying to interfere with the possession of the petitioners. If no such notifications were published, there shall be a direction to respondents not to interfere with the possession of the petitioners pending further orders."

3. It is stated that the first petitioner and second petitioner's family are the owners of the properties of the subject matter of the writ petition and details of the same had been specified in paragraphs 3, 4, 5, 6, 7, 8 and 9 of the affidavit filed in support of the writ petition.

4. The main grievance ventilated by the writ petitioners is that without initiating any land acquisition proceedings, possession of the petitioners in relation to the subject matter of the writ petition is not to be interfered with or not to be disturbed in the light of the order specified supra made by this court while issuing Rule Nisi, in view of the same, this court is of the considered opinion that no further orders need be passed in the light of the interim order already made by this Court. Hence, in view of the interim order specified supra, no further orders need be passed.

5. The writ petition is disposed of accordingly. No costs.
